

A photograph of a man and a young girl laughing together. The girl is sitting on the man's shoulders, and they are both looking up and laughing. The man is wearing a white t-shirt and a blue jacket, and the girl is wearing a yellow shirt and blue overalls. The background is bright and out of focus.

PERSONAL SELECTION

Since its introduction to the market, Selection Line has raised the standards of strength training equipment.

Concepts like Visual Set Up, BioMotion, BioSeat and Ergomultigrips have become the benchmarks to emulate.

Personal Selection is a new concept, a new extension of the philosophy of Selection. Market feedback requested better ways to differentiate clubs.

Now Club Owners, Architects, Designers and Interior Designers can customise and personalise an individual club or create exciting new zones within a larger club.
